RCW 29A.36.071

Local measures — Ballot title — Formulation — Advertising.

- (1) Except as provided to the contrary in RCW [82.14.036](#), [82.46.021](#), or [82.80.090](#), the ballot title of any referendum filed on an enactment or portion of an enactment of a local government and any other question submitted to the voters of a local government consists of three elements: (a) An identification of the enacting legislative body and a statement of the subject matter; (b) a concise description of the measure; and (c) a question. The ballot title must conform with the requirements and be displayed substantially as provided under RCW [29A.72.050](#), except that the concise description must not exceed seventy-five words; however, a concise description submitted on behalf of a proposed or existing regional transportation investment district may exceed seventy-five words. If the local governmental unit is a city or a town, the concise statement shall be prepared by the city or town attorney. If the local governmental unit is a county, the concise statement shall be prepared by the prosecuting attorney of the county. If the unit is a unit of local government other than a city, town, or county, the concise statement shall be prepared by the prosecuting attorney of the county within which the majority area of the unit is located.
- (2) A referendum measure on the enactment of a unit of local government shall be advertised in the manner provided for nominees for elective office.
- (3) Subsection (1) of this section does not apply if another provision of law specifies the ballot title for a specific type of ballot question or proposition.

RCW 29A.36.080

Local measures — Ballot title — Notice.

Upon the filing of a ballot title of a question to be submitted to the people of a county or municipality, the county auditor shall provide notice of the exact language of the ballot title to the persons proposing the measure, the county or municipality, and to any other person requesting a copy of the ballot title.

RCW 29A.36.090

Local measures — Ballot title — Appeal.

If any persons are dissatisfied with the ballot title for a local ballot measure that was formulated by the city attorney or prosecuting attorney preparing the same, they may at any time within ten days from the time of the filing of the ballot title, not including Saturdays, Sundays, and legal holidays, appeal to the superior court of the county where the question is to appear on the ballot, by petition setting forth the measure, the ballot title objected to, their objections to it, and praying for amendment of it. The time of the filing of the ballot title, as used in this section in determining the time for appeal, is the time the ballot title is first filed with the county auditor.

A copy of the petition on appeal together with a notice that an appeal has been taken shall be served upon the county auditor and the official preparing the ballot title. Upon the filing of the petition on appeal, the court shall immediately, or at the time to which a hearing may be

adjourned by consent of the appellants, examine the proposed measure, the ballot title filed, and the objections to it and may hear arguments on it, and shall as soon as possible render its decision and certify to and file with the county auditor a ballot title that it determines will meet the requirements of this chapter. The decision of the superior court is final, and the ballot title or statement so certified will be the established ballot title. The appeal must be heard without cost to either party.

Local On-line Voters' Guide

Jefferson County provides an on-line voters' guide for all elections on our website at <https://wei.sos.wa.gov/county/jefferson/en/pages/default.aspx> or go to www.co.jefferson.wa.us and click on Elections. Jurisdictions with measures or candidates on the ballot are automatically included in the on-line voters' guide.

The full text of a resolution calling for an election will not be included in the guide. Printed copies are available and will be provided upon request.

For each measure, the on-line voters' guide will include:

- Official ballot title.
- Explanatory statement (if provided).

The following is recommended but not required for an **on-line** voters' guide (only required if we provided a **printed** voters' pamphlet)

- Committee contact information, if submitted.
- "For" and "Against" statements if submitted.
- Rebuttal statements if submitted.

Explanatory Statement

An explanatory statement about the measure may accompany ballot measures submitted for inclusion in the Online Voters' Guide. The attorney for the jurisdiction sponsoring the ballot measure, or the Prosecuting Attorney for County measures, will prepare and submit the explanatory statement to the Elections office.

All explanatory statements not approved by the attorney for the jurisdiction submitting the measure shall be reviewed and approved by the County Prosecuting Attorney before inclusion in the guide.

150 word limit.

Committee Appointments

RCW 29A.32.280

Arguments advocating approval or disapproval — Preparation by committees.

For each measure from a unit of local government that is included in a local voters' pamphlet, the legislative authority of that jurisdiction shall, not later than forty-five days before the publication of the pamphlet, formally appoint a committee to prepare arguments advocating voters' approval of the measure and shall formally appoint a committee to prepare arguments advocating voters' rejection of the measure. The authority shall appoint persons known to favor the measure to serve on the committee advocating approval and shall, whenever possible, appoint persons known to oppose the measure to serve on the committee advocating

rejection. Each committee shall have not more than three members, however, a committee may seek the advice of any person or persons. If the legislative authority of a unit of local government fails to make such appointments by the prescribed deadline, the county auditor shall whenever possible make the appointments.

.....
Although **the above RCW applies to counties that provide a printed voters' pamphlet**, we encourage jurisdictions to provide "For" and "Against" information so the voting public can make an informed decision.

Jefferson County will post an invitation on the county website for any person who wants to be on the committee. If a form has not already been submitted by the district, interested persons will be directed to the district to be added to their form. If a district does not submit a Committee Members Form with their resolution, the Auditor's office will make the appointments.

Submit your committee roster with your contact information no later than the resolution deadline. Names will be printed in the order submitted on the roster.

Each committee member may use up to 8 words as a title or identification.

Each committee may submit contact information consisting of a telephone number, and email address and a website URL for publication. This information does not count toward any word limits.

The committees will then have two weeks from the resolution deadline to provide their statements.

Statements For or Against

Deadline to Submit: Statements must be received within two weeks of the resolution deadline.

Length: Each statement must be **150** words or less, in block paragraph form. Hyphenations count as two words.

If a For or Against statement is received that exceeds the applicable word limit the committee will be notified by email and asked to delete words, paragraphs or sentences. Only deletions are allowed. No changes or additions to the statement will be allowed.

If a contact person cannot be reached, or does not respond, within a reasonable amount of time the statement will be shortened by deleting full sentences from the end until the limit is reached.

Format

Up to four headings may be used to summarize and identify major arguments or portions of the statement for the convenience of the reader. Headings may not exceed 15 words each and will be printed in bold type. Headings will not be included in the computation of the number of words in the statement.

Italics may be used to emphasize specific words or statements. Any other formatting, such as all caps, bold, or underlining, will be changed to appear in *italics*.

The use of lists or bullets is not allowed. Lists or bullets will be converted to block paragraph, with a semicolon to separate each item.

Committee member names, a contact phone number, an email address, and/or website address will be included, but are not included in the 150 word count. At least one method of contact (phone, email, website address) must be provided.

Content

Pursuant to RCW 29A.32.230, the Elections Division may reject any material submitted for publication. These materials include, without limitation, explanatory statements, For or Against statements, rebuttal statements, or contact information that:

- Is obscene;
- Is libelous;
- Contains a commercial advertisement;
- Contains matter not limited to the candidate himself or herself or to the measure or political office; or
- Contains matter that is otherwise inappropriate or that does not comply with applicable law.

No more than 5 paragraphs are allowed for arguments. Excessive paragraph returns will be removed.

URLs for websites, Facebook pages, blogs, etc. are not permitted in the argument sections; each committee may list one URL in their contact information section.

Once submitted, arguments cannot be changed by the committee unless requested by the Auditor's Office or court order.

Bond and Levy Validation - State Constitution, Article VII, Section 2

LIMITATION ON LEVIES. Except as hereinafter provided and notwithstanding any other provision of this Constitution, the aggregate of all tax levies upon real and personal property by the state and all taxing districts now existing or hereafter created, shall not in any year exceed one percent of the true and fair value of such property in money. Nothing herein shall prevent levies at the rates now provided by law by or for any port or public utility district. The term "taxing district" for the purposes of this section shall mean any political subdivision, Municipal Corporation, district, or other governmental agency authorized by law to levy, or have levied for it, ad valorem taxes on property, other than a port or public utility district. Such aggregate limitation or any specific limitation imposed by law in conformity therewith may be exceeded only as follows:

(a) By any taxing district when specifically authorized so to do by a majority of at least three-fifths of the voters of the taxing district voting on the proposition to levy such additional tax submitted not more than twelve months prior to the date on which the proposed initial levy is to be made and not oftener than twice in such twelve month period, either at a special election or at the regular election of such taxing district, at which election the number of voters voting "yes" on the proposition shall constitute three-fifths of a number equal to forty percent of the total number of voters voting in such taxing district at the last preceding general election when the number of voters voting on the proposition does not exceed forty percent of the total number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the voters of the taxing district voting on the proposition to levy when the number of voters voting on the proposition exceeds forty percent of the number of voters voting in such taxing district in the last preceding general election. Notwithstanding any other provision of this Constitution, any proposition pursuant to this subsection to levy additional tax for the support of the common schools or fire protection districts may provide such support for a period of up to four years and any proposition to levy an additional tax to support the construction, modernization, or remodeling of school facilities or fire facilities may provide such support for a period not exceeding six years. Notwithstanding any other provision of this subsection, a proposition under this subsection to levy an additional tax for a school district shall be authorized by a majority of the voters voting on the proposition, regardless of the number of voters voting on the proposition;

(b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by majority of at least three-fifths of the voters of the taxing district voting on the proposition to issue such bonds and to pay the principal and interest thereon by annual tax levies in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of voters voting on the proposition shall constitute not less than forty percent of the total number of voters voting in such taxing district at the last preceding general election. Any such taxing district shall have the right by vote of its governing body to refund any

general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein. The provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6, of this Constitution;

(c) By the state or any taxing district for the purpose of preventing the impairment of the obligation of a contract when ordered so to do by a court of last resort. [**AMENDMENT 101**, 2007 Engrossed House Joint Resolution No. 4204, pp 3143-3145. Approved November 6, 2007.]

The above was copied directly from the State Constitution. The next page has a more comprehensive explanation of Levy and Bond Validation Requirements.

Passing a levy or bond issue isn't always a simple matter of "majority rules." State law requires a "60% super majority" for bond issues and some types of levies to pass. Other levies such as levy lid lifts and school levies only require a simple majority.

Levy Validation for Schools

The passage of Engrossed House Joint Resolution 4204 in November of 2007 changed the constitutional requirement as it relates to school district levy elections. A school district levy requires a simple majority to pass.

Levy Validation (excluding school levies)

Levy issues must meet two separate criteria to pass.

- First, they must validate. The number of "Yes" votes must equal 24% (60% of the 40%) of the voters who cast a ballot in the last general election.
- Second, the issue must receive a 60% favorable majority, or 60% of the ballots cast are "Yes" votes.

Example – Levy Validation

If there were 10,000 votes cast in the last general election for the district, to pass the levy issue:

- The district must have a minimum turnout of at least **2,400 YES votes.**

(10,000 x 40% = 4,000)
(4,000 x 60% = 2,400)

Plus

- At least **60%** of the voters must vote **YES.**

Bond Validation

Bond issues must meet two separate criteria to pass.

- First, they must validate. The voter turnout must equal 40% of the voters who cast a ballot in the last general election.
- Second, the issue must receive a 60% favorable majority, or 60% of the ballots cast are "Yes" votes. So, a bond measure could get the required percentage of "Yes" votes, but could still fail if not enough people vote in the election.

Example – Bond Validation

If there were 10,000 votes cast in the last general election for the district, to pass the bond issue:

- The district must have a minimum turnout of at least **4,000 TOTAL voters.**

(10,000 x 40% = 4,000)

Plus

- At least **60%** of the voters must vote **YES.**

Validation Summary

Following certification of the General Election each year, the validation summary will be mailed to each district.
