**DECLARATION OF RESTRICTIVE COVENANT
CONCERNING DRINKING WATER SUPPLIES**

Grantor(s):

Jefferson County Public Health

Grantee(s):

NOTICE IS HEREBY GIVEN TO _____,
his/her heirs and assigns, and the general public.

DESCRIPTION OF REAL PROPERTY AFFECTED:

Section _____, Township _____ N, Range _____ WM

ASSESSOR'S TAX PARCEL NUMBER(S): _____

NOTICE IS HEREBY GIVEN THAT the potable water supply source for the above described property does not meet criteria of RCW 19.27.097, requiring that the applicant for a building permit shall provide proof of an adequate supply of potable water for the intended purposes of the building. Specifically, the system fails to meet the criteria for the following:

- Adequate Supply (400 gallons per day)
- Potability - The water supply is a surface water source or results submitted by the applicant show that water sample tested exceeded MCL for _____.

Approval of the building permit has been predicated on the following:

- The applicant acknowledges that continuous treatment is required to comply with potability parameters listed in WAC 246—290, Drinking Water Regulations.
- The applicant acknowledges that the water supply source is an alternative system, specifically a _____. The system has been designed to provide _____ gallons per day and to serve _____. The design incorporates a specific water conservation plan. A copy of the plan has been filed with the building permit, Jefferson County Community Development. Actual adequacy of the water supply is dependent upon the implementation of the plan by the applicant.

THIS NOTICE may not be lifted or removed without the consent and written approval of Jefferson County Public Health.

DATED this _____ day of _____, _____
