Introduction to Local Measure

For the measure in the Local Voters' Pamphlet the legislative authority of that jurisdiction is required to formally appoint committees to prepare statements advocating the approval and rejection of the measure. If the jurisdiction is unable to make such appointments,

the Jefferson County Auditor advertises for such appointments. The Auditor's Office encourages you to review all statements and seek additional information from the jurisdictions, the appointed citizens' committees and local media.

Quilcene School District No. 48

Proposition No. 1 Bonds to Construct School Facilities and Improve Athletic Facilities and Fields

Ballot Title

The Board of Directors of Quilcene School District No. 48 adopted Resolution No. 1: 2021-2022, concerning a proposition to improve educational opportunities and outdated school facilities. This proposition would authorize the District to: construct a new grade school building to replace the existing Quilcene Grade School building; construct a new Career and Technical Education Building; make athletic facilities and field improvements; issue no more than \$12,300,000 of general obligation bonds maturing within 25 years; and levy annual excess property taxes to repay the bonds, all as provided in Resolution No. 1: 2021-2022. Should this proposition be:

Approved
Rejected

Explanatory Statement

Passage of Proposition No. 1 would authorize Quilcene School District to issue no more than \$12,300,000 of bonds to construct a new grade school building to replace the existing Quilcene Grade School building, construct a new Career and Technical Education Building, and make athletic facilities and field improvements. The School Board determined that these projects were necessary to improve educational opportunities and address aging and educationally outdated school facilities. Further information is available at <https://www.qsd48.org/>.

The bonds will be repaid from annual excess property taxes over a period of approximately 25 years. The District estimates a tax rate for the bonds of \$1.76 per \$1,000 of assessed value, or \$44 per month for a \$297,000 home. This anticipated tax rate is expected to be at or below what taxpayers have paid since 2021 because the District's capital projects levy will expire after 2022. Consequently, the District anticipates no additional tax rate increase with passage of this new bond proposition. Exemptions from taxes may be available to certain homeowners. To determine if you qualify, call the Jefferson County Assessor at (360)427-9670, Ext: 491.

Statement For

No committee was formed.

Statement Against

No committee was formed.
