Explanatory Statement

Passage of Proposition No. 1 would allow Port Townsend School District to replace an existing educational programs and school support levy that will expire at the end of calendar year 2022. The taxes collected by this replacement levy will be used to pay for expenses of educational programs and school support that are not fully funded by the State of Washington. These expenses include, but are not limited to, library, arts, nutrition and wellness, special education and extracurricular and co-curricular activities. Further information is available on the District's website at <https://www.ptschools.org/>.

The proposed three-year replacement levy would authorize the collection of taxes to provide up to \$3,450,000 in 2023, \$3,550,000 in 2024, and \$3,525,000 in 2025. The tax levy rate required to produce these levy amounts is estimated to be \$0.90 in 2023, \$0.86 in 2024, and \$0.79 in 2025 (estimated levy rate per \$1,000 of assessed value).
