Protective Sweep: A protective sweep is a visual inspection of a home or business by emergency personnel when an alarm is activated, the premise is unsecured or shows signs of forced entry, an a responsible party is not on site to give or refuse consent for the responders to enter. You may change your decision at any time by completing a new form.

Authorization: Selection is mandatory (failure to select one will be considered "do not consent")

- I DO give consent for emergency personnel to conduct protective sweeps when responding to alarms at this property
- I DO NOT give consent for protective sweeps. I understand that without additional details of a crime or other emergency in progress, or without a responsible person immediately available to provide consent to enter, emergency personnel will not conduct a protective sweep when responding to alarms at this property.

I certify that I have completed this form to the best of my knowledge. I understand that I am responsible to update this information immediately upon any change. I have read the Alarm Ordinance Summary. I have taken steps to ensure family, employees, guest, or others who access to the property understand how to properly use the alarm and actions in the event of an accidental alarm. I understand that response from emergency services may be influenced by factors including, but not limited to, the availability of responders, priority calls, traffic and/or weather conditions, emergency conditions and staffing levels. **Sign and Date**
