Work Proposed On

	Single Family Residence		Accessory Structure
	Accessory Dwelling Unit		Commercial Building
	Garage / Shop		

Exemptions: If the scope of work does not change the load bearing capacity OR the original structure AND is less than 200 sq. /ft., a permit is not required.

Emergency Damage Repair: If the work is to repair a roof damaged by sudden, unforeseen events such as storm damage, roofing permits will be issued over the counter for minor repairs. Rebuild involving structural repair will require wet stamped engineered plans within 30 days of the emergency issuing AND the applicant will need to schedule inspections per the building permit process.

**Temporary, emergency repairs such as tarps and tarp tie-downs do not need a building permit.

Estimated Cost of Project (Required): \$ _____	\$ _____
---	-----------------

1. Is the original roof being removed? Yes No
2. Are you replacing with the same material: Yes No
