

Jefferson County Department of Emergency Management

Community Situation Report

2020 COVID-19 Pandemic

April 1, 2020

Lots of people are asking – what can I do to help? There are lots of ways to get involved and help you community during this difficult time.

One of the easiest ways is to simply reach out to your neighbors and ask if they might need help, especially if you know them and know they might be having a difficult time. Put something in their mailbox or by their front door offering to pick up their groceries or other needs. There are also lots of groups on Nextdoor and Facebook for helping one another out, or, if you live in a Local 20/20 Neighborhood Preparedness (NPREP) group, reach out to your Block Captain or leader.

If you want to volunteer:

Olycap is always looking for additional assistance and you are encouraged to fill out a volunteer form on their website at <https://www.olycap.org>

Dou you have specialized skills and want to help at the Department of Emergency Management? Are you a retired doctor, nurse, EMT, police officer; have a food-handler’s card, etc.?

Fill out DEM’s volunteer form and help in our efforts: <https://www.co.jefferson.wa.us/1450/VolunteerHow-to-Help>

Want to make masks for other community members? Click the “How to Help” link above.

If you can’t volunteer but want to donate and lend a hand:

You can donate to OlyCap’s COVID-19 fund. Log on to <https://www.olycap.org> and click on the red box.

You can also donate to Jefferson Community Foundation’s COVID-19 Emergency Response Fund at this link: <https://jcf.fcsuite.com/erp/donate/list/grant>

*Last results received 4/01/2020. We are working with Jefferson Healthcare and other labs to provide the test result data.
